

Donald I. Galen, M.D., FACOG

Curriculum Vitae

Born: Phoenix, Arizona

Undergraduate Education: UCLA - B.S. in Microbiology and Molecular Genetics, 1961-1964

Medical School: USC School of Medicine, 1964-68; Graduated with Honors (AOA)

Internship: LAC/USC Medical Center, Los Angeles, CA, 1968-69

OB/GYN Residency: UCSF Medical Center, San Francisco, CA, 1969-73

Military Service:

- Major, U.S. Army, Ft. Eustis, VA., 1973-74. Chief Dept. of OB/GYN
- Major, U.S. Army, Ft. Riley, KS., 1974-75. Chief Dept. of OB/GYN

Practice Chronology:

- 1975-1976 Dept OB/Gyn, Kaiser Permanente, San Diego, CA
- 1976-1977 Dept Ob/Gyn, Kaiser Permanente, Hayward, CA
- 1978-1990 Private practice in Walnut Creek, CA (Bay Area Fertility & Gynecology Medical Group)
- 1990-2011 Surgical & Research Director for the Reproductive Science Center of the San Francisco Bay Area, San Ramon, CA.

Practice: Physician partner and Surgical & Research Director of the Reproductive Science Center of the San Francisco Bay Area, San Ramon, CA

Surgical Experience: Over 46 years and 60,000 hours experience in Operative Laparoscopy and Advanced Laparoscopic & Hysteroscopic Minimally-invasive & non-incisional Surgery

Clinical Investigator:

Dr. Galen has been a Principal Clinical Investigator in numerous clinical trials in the United States since 1985 (see C.V.). He has pioneered in the development and use of numerous minimally-invasive technologies in laparoscopy, hysteroscopy, and robotic surgery.

Appointments:

- Associate Clinical Professor, Dept. of Reproductive Medicine, Univ of Calif., Davis 1997 – 2010
- UC San Diego, 1975-77, Assistant Clinical Instructor, Dept. of Reproductive Medicine
- UC Davis, 1978-80 - Assistant Clinical Professor of Family Practice

Professional Societies:

- Fellow, American College of OB/GYN (FACOG)
- Diplomate, American Board of OB/GYN (ACOG)
- Fellow, Society of Reproductive Surgeons (SRS)
- Member, Alpha Omega Alpha Honorary Medical Society (AOA)
- Member, American Society for Reproductive Medicine (ASRM)
- Member, American Association of Gynecologic Laparoscopists (AAGL)
- Former President and Member of the East Bay Gynecologic Society
- Certified by the Accreditation Council for Gynecologic Endoscopy, Inc (AAGL) in both Advanced Operative Hysteroscopy and Laparoscopy

Attending Hospitals and Ambulatory Surgery Centers:

- San Ramon Regional Medical Center (SRRMC), San Ramon, CA.
- John Muir Medical Center, Walnut Creek, CA

Administrative Positions Held:

- President, East Bay Gynecologic Society
- Chairman, Dept. of OB/GYN, Mt. Diablo Hospital Medical Center (MDHMC)
- Chairman, Dept. of Medical Education, MDHMC
- Chairman, Credentials Committee, SRRMC
- Chairman, Interdisciplinary Practice Committee, SRRMC
- Member, Operating Room Committee, SRRMC
- Executive Board Member and Credentials Committee, WCASC
- Chairman, Medical Advisory Committee, SRRMC
- Member, Bioethics Committee, SRRMC
- Chairman, Physician's Well-Being Committee, SRRMC
- Member, ValleyCare Health System Institutional Review Board
- Surgical & Research Director at the Reproductive Science Center of the Bay Area

Subspecialty Interests:

- In Vitro Fertilization – Co-Founder of IVF program in 1983-present
- Hysteroscopic tubal occlusion for hydrosalpinx prior to IVF (off-label studies)
- Advanced Operative Laparoscopic and Hysteroscopic surgery
- Endometrial Ablation and Hysteroscopic Resection of fibroids, polyps, septa
- Outpatient Laparoscopic Hysterectomy - both Supracervical & Total LH
- Prevention of Surgical Complications and Reduction in Medico-legal Liability courses
- Research Director - new medical device development, new pharmaceutical products
- Licensed Fluoroscopic Operator & Supervisor Permit, California, In-office HSG procedures
- CME Course Director and Lecturer in the United States, Canada and European Union

Current Positions:

- Galen Consulting, CEO
- Surgical Preceptor and Instructor in Advanced Laparoscopic and Hysteroscopic Gynecologic Surgery
- Clinical Investigator and consultant for new product development
- Medical-Legal consultant regarding standard-of-care, and clinical case reviews

Consulting:

Dr. Galen provides expert consulting & research services to medical product manufacturers and has been a Principal Clinical Investigator for many FDA-approved studies including:

- Laparoscopic Radio Frequency Thermal Ablation of uterine fibroids (Halt Medical, Inc)
- Off-label use of Essure Microinsert for Hydrosalpinx prior to IVF/FET cycles
- Adiana system off-label use for Hydrosalpinx prior to IVF/FET cycles
- Neurocrine Elagolix Petal Study in Endometriosis (Neurocrine, Inc)
- NovaSure System for Global Endometrial Ablation, (Novacept, Inc)

- LaparoLift System for Gasless Laparoscopy, (Origin Medical Systems)
- Radiofrequency Treatment for Urinary Stress Incontinence, (SURx, Inc)
- Laparoscopic Hysterectomy using the KOH Colpotomizer, (Cooper Surgical, Inc)
- Essure STOP Study: Hysteroscopic Permanent Contraception, (Conceptus, Inc)
- Adiana Study: Hysteroscopic Permanent Contraception (Hologic, Inc.)

- Radially Dilatating Cannulas (STEP) for Laparoscopic Access, (InnerDyne, Inc)
- Phase III 12 month Extension Study for Uterine Leiomyomata (Tap Pharmaceuticals, Inc)
- Phase II Multicenter open-label study to evaluate Ovarian Activity (Duramed, Inc)
- Laparoscopic Adhesion Prevention Study, (Cohesion, Inc/Angiotech Pharmaceuticals, Inc)–starting 2006
- Argon Beam Coagulation Laparoscopic Studies, (Birtcher Medical, Inc)
- Siemens Ultrasound, USA, Medical Advisory Board Member
- Minerva Surgical, Inc. – Medical Advisory Board Member
- Hologic, Inc. Speaker’s Bureau and Medical Advisory Board Member

Editorial Duties:

- Ad Hoc member of the Editorial Advisory Board for the Journal of Minimally Invasive Gynecology (AAGL) - current
- Ad Hoc medical reviewer for Fertility/Sterility - current
- Member of the Board of Editors, Medical Video Production's Video Journal of OB/GYN (VJOG), St. Louis, MO

Advanced Operative Laparoscopic and Hysteroscopic Surgical Courses: Instructor and Surgeon

- Reproductive Science Center of the San Francisco Bay Area, San Ramon, California
- Masters Course in Advanced Operative Laparoscopy, St. Croix, VI
- San Ramon Regional Medical Center, San Ramon, CA. , advanced operative laparoscopy instruction for visiting gynecologists from Russia, Ukraine, UK, Australia, Europe, Japan, India and throughout the USA
- Instructor for Reversal of Female Sterilization using Microsurgical Techniques
- Laparoscopic Hysterectomy, San Francisco, CA, Milwaukee, WI, Nashville, TN
